

NOTICE

To our loyal guests,

As you are aware, the COVID-19 pandemic has hit our entire country and the communities we serve. Out of caution for the safety of our team members and guests, as well as to support the federal, state and local calls for social distancing, we have closed The Wild Game locations. We will re-evaluate the communities' health situation on a regular basis and communicate updates regarding re-opening via our website at TheWildGame.net and on Facebook and Instagram.

During the time we are closed, we will be focusing efforts on maintenance and deep cleaning of our facilities.

We hope that these closures are temporary, and we look forward to a time when business returns to normal and we can put our focus back on creating awesome entertainment experiences for our guests. Thank you all for your loyal support over the past 5 years.

Be Well and Stay Safe,

The Wild Game Team
